#### Men's Outergarments

First, let us be a little previous and say heartily—"Merry Xmas."

It won't take us long to talk to you this week—we're busy, too busy to deliver lectures and you're probably too busy to listen to them.

Just let us remind you of the fact that you can outfit yourself with a well-wearing, well-looking suit, overcoat, pair of trousers, or with furnishings now—and pay for them away after the holidays.

Credit with us is a business, of a favor—if you pay cash we're glad to see you, if you say "Charge it," you're no less welcome.

We'll attend to your clothes needs for less money—and can prove it.

#### Women's Outergarments

Just a moment please before we talk shop to extend to you our sincerest wishes for a Merry Xmas.

And speaking about Christmas brings us back to the fact that you may be temporarily money-tight.

Let us help you—are you in need of a walking suit, heavy coat, jacket, waist, skirt or furs—do you want to give something practical to some friend—if so, give it from The Famous displays and be assured of price and style correctness, yet pay as you best can.

We'd like to have you come in and make us prove our claims as undersellers.
